It is an honor and my pleasure to welcome you to the 3rd annual "Trip West" sale of top quality Manitoba Shorthorns.

This sale, though young in years, has established a reputation as an honest sale of honest cattle and has the solid support of all breeders in the province. The cattle have been selected by a committee of breeders who have produced and know the type of cattle accepted by you, the buyers. You can have full confidence in their judgment. The cattle will not disappoint you and are sound, practical, modern Shorthorns. This is not a show; come out and judge the cattle for yourselves and take home what you consider will fit your breeding needs.

Manitobans are a hospitality bunch. Make this a family weekend—join us for our pre-sale activities on the 7th of June—Our sale on the 8th of June—and arrange some visits for Sunday, June 9 and see where the cattle originated.

Val. Kjernisted, president
Manitoba Shorthorn Association

FROM THE SELECTION COMMITTEE

The cattle offered for the selection committee's approval, were a good representation of Manitoba bred Shorthorns. They are from 16 herds.

Shorthorns are the major source of income for most of these breeders.

The cattle are presented in just fair to good condition. They also represent Polled, Horned and Dual purpose breeding. Many will make top show animals. All should work well in both registered herds, and a cross-breeding program, where Shorthorn females excell.

While we did not cull heavy, we believe that all animals approved, will breed well under any well managed program.

We invite you to attend this third annual sale.

Our Motto: "Practical Cattle—Satisfied Buyers."

WITHOUT THE HELP OF THESE

The production of a sale of this scope and quality takes the co-operation of dozens of people. At the risk of omissions, the Manitoba Shorthorn Association would like to thank the following:

The Virden Agricultural Society and President Ken Horn

The Town of Virden and Mayor Hegion

The Chamber of Commerce and President D. J. Reid

The Agricultural Office and Agricultural Representative Wendal Wight

The Virden Co-op Ltd., and Manager J. Braun

Kent Flour Mills and Mr. A. Kent

Virden Auction Mart, Ken Wilkinson, Manager

Both Lassies will be with us on June 9—Miss Myra Daniels, Manitoba Lassie Princess

Miss Sharon Gray, Manitoba Lassie Queen

TERMS AND CONDITIONS

TERMS: Terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Cheques are to be handed to the clerks immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

INSURANCE: Insurance will be available at the sale.

LUNCH: Will be served on the show grounds on sale day.

BARBECUE: Join your friends on the showgrounds the night before the sale for a Dutch treat barbecue.

GUARANTEE: The cattle will sell under the standard guarantee endorsed by the Canadian Shorthorn Association. A condition of this guarantee is that failure to breed must be presented in writing to the seller within six months of the date of sale. Calves at foot are not guaranteed.

A bull should not be allowed to serve when under fourteen months of age or be allowed to run with the herd when under twenty months of age. In the event of an animal proving to be a non-breeder or of a female breaking service, if a satisfactory settlement cannot be reached with the consignor, the purchaser must file protest and proof in writing to the Secretary of the Manitoba Shorthorn Club; such protest must be accompanied by a deposit of \$25.00. If on inspection by a veterinarian appointed by the Manitoba Shorthorn Club, the protest is allowed and the animal declared a non-breeder, the \$25.00 deposit will be refunded to the purchaser, and the consignor will be required to pay costs in connection with the veterinarian inspection re the animal. If, however, the animal proves to be satisfactory and is declared sound by the veterinarian, the buyer must assume the cost of the veterinarian's inspection. If the protest is allowed, the non-breeder animal again becomes the property of the seller who shall:

Replace the animal immediately with one of approximately equal age, quality and breeding acceptable to the buyer. If the seller does not have the above animal available, he must refund 90 per cent of the purchase price of the animal to the purchaser. Return transportation charges to be paid by the seller, no charge for feed or maintenance shall be made by the purchaser.

LIABILITY: The Manitoba Shorthorn Breeders Association, sponsors of this event, the individual consignors, or the Virden Agricultural Society cannot be responsible for any accidents that may occur. Although accidents at cattle sales are rare, every person attending must assume risk for injury to himself. The guarantee shall constitute a contract between the buyer and the seller of each lot. Neither the sale manager, nor his staff, nor the auctioneers, nor the clerks assume any liability of any kind. They were employed by the Manitoba Shorthorn Association for specific promotional and clerical tasks, and have nothing to do with the handling of the cattle or the condition of the premises. The sale manager can assume no liability for the fulfillment of guarantees or errors in health papers. Where footnotes appear in this catalogue, they were furnished by the consignors or written from information supplied by the consignors.

RECORDING IN U.S. HERD BOOK: The specific fee levied by the American Shorthorn Association on animals imported from Scotland will be paid by the seller. All other cattle will be transferred to the new owner in the Canadian herd book. It will be the responsibility of the U.S. buyer to pay the additional \$10 fee

required to transfer from the Canadian to American herd additional \$10 fee required to transfer from the Canadian to American herd book. All pedigrees will be verified for acceptance into the American Shorthorn herd book. Any that are not acceptable will be announced on sale day.

HEALTH: All cattle are eligible to go anywhere in Canada immediately from the sale. Cattle sold for export to the United States will have to be held for a three-day test, unless otherwise announced on sale day. Cost of export tests will be paid by the seller, and held until ready for export.

MAIL BIDS

If you cannot attend, mail bids may be sent to any of the Sale Committee, also the following reliable representatives, each of whom can be reached at the Countryside Inn, Virden, Manitoba, telephone (204) 748-1244, the day before the sale.

PEASANT DAWN POLLED SHORTHORNS

"Quality in Quantity"

We have been breeding Polled Shorthorns since 1942. Our foundation females were selected from the first Polled Shorthorn herd in Manitoba, founded in 1931.

Our progeny have been sold to Scotland; coast to coast in Canada; and to 15 States in the U.S.

We have a good selection of yearling and two year old bulls that will make top herd sires.

All the Bromelee heifers selling are modern heifers, but are thin. They were wintered on just 6 lbs. of rolled oats per day plus medium quality hay, with no extra supplement or concentrate, so they should go right ahead and grow for almost anyone.

Bromelee B Doris 21st is by the good breeding 100 per cent dehorning son of Kodiak 5th. Her dam is by Bromelee Perfect 15th. The sire, with only 14 sons to pick from sent ten to the Douglas test station and eight of the ten made the sale. He is also the sire of the twelve heifers bought by Harvey Fulton in 1969.

Greatest female breeding bulls in America! Working well on beef and milking shorthorn cows. Building a cow herd that will be tops in fertility, mothering ability, and wintering ability.

Tomorrow's cattle requirements will not tolerate the Exotic feed bins and demands will spring for replacement females that will be regular producers, winter well, flesh easy on smaller rations of feed and once again the calves will pop out the back door and not the side door.

Shorthorns deserve most of the credit in almost every cross today. Tomorrow we will be ready for the replacement female trade that will call for that little bit of Shorthorn blood or that Shorthorn cow.

A good selection of bulls and females will be for sale this fall.

**Pleasant Dawn Mark, Woody Hills Mark II
Remitall Erskel 343 E**

We at Woody Hills are proud to have on our farm PLEASANT DAWN MARK. His offspring that he has produced has made the Hatch's and us very proud. The cattle from MARK have been placed in all parts of the world. Mr. Gawith in South Africa purchased the first Manitoba Shorthorn to go to South Africa. Mr. Kennedy in Scotland purchased two females. The Stone's in Alberta, the 1973 International Champion. The Shuppe's in Colorado, the 1974 International Champion. Others have went to New Brunswick, Montana, South Dakota and North Dakota, just to name a few.

As you can see the progeny of MARK has been well received.

Yes, it's this time of year, when the big decision is what and how many young females we can afford to part with.

Through this decision we have decided to give you a chance to be one of the first to own a female by the Great Fighting. Both of these females belonged to the third place group of three at Canadian Agriculture.

DELLA OF ARROWWOOD

Is the first Dual purpose female we have ever offered for sale. (Just two days off being a Jan show heifer, she would have been hard to beat).

HILLNOOK CAROLINE

It took a lot of convincing before Mr. Carter decided to let us have this heifer. He claims that her mother is the best producing cow in the herd. She has the growth, stretch and with her calf at side could well be one of the outstanding females in our herd.

Remember Tutria's sale, their top selling female, Just Deal Welcome Dawn. Yes she was purchased from us in 1972 at the Trip West Sale.

I feel quite sure that each and every one of our females this year have the capability of topping not only this sale, but going on in the future and adding to the top end of your herd and their offspring having the capability of topping any sale in North America.

Yours truly,

R. McDOUGALL & SONS

Dual Valley Rosebud has an excellent bull calf, her third calf, never has any trouble calving and fits right into the fair circuit. She is half Dual and exposed to Thomas Leader 97A, our new herd sire purchased from Elgin Stewart.

Thank You

The Manitoba Shorthorn Lassie Auxiliary would like to thank Wood Hill for donating a daughter of Pleasant Dawn Mark to them.

She will be sold at the Trip West Sale and proceeds will go to help Shorthorns through this organization.
